

Dear Students

How are you, every student?

I was so happy to see you about 2 weeks ago. Everyone that I met looked so fine, and my heart felt at ease.

Do you stay home? Of course I do without working! I know just staying home makes us depressed, but the action will protect our lives from coronavirus (COVID-19)!!

I don't know when we can see, so please be fine until that day.

See you!
